Version: October 2026

David Hiroyuki Murakami

dh.murakami@icloud.com • Personal Site

I am a research economist at the Bank of England, focusing on monetary policy, financial frictions, and international macroeconomics. I obtained my PhD Economics from the University of Milan and University of Pavia, supervised by Guido Ascari and co-supervised by Andrea Ferrero and Francesco Zanetti. I also hold an MPhil in Economics from the University of Oxford and an MA from Keio University.
